## Take a Family Nature Hike

Take a hike to Eaton Canyon on Saturday, August 14th. We will meet at 8am SHARP at the Community Center, board a bus to the trailhead in Sierra Madre and enjoy a relatively easy hike that totals four miles round trip. Join us as we hike up to a canyon in the

lower San Gabriel Mountains to a 40-foot waterfall. The lower stretches of this trail are pretty level, and wind through some brush and chaparral on the way to Eaton Canyon Creek. The trail is single-track, rocky, and prone to crossing the creek...a LOT. So get your

balance ready, or make sure that extra pair of socks is secure in your pack, then continue on. Be sure to bring sunscreen and a hat. The \$15 fee includes transportation and lunch. Children must be accompanied by an adult. Contact the Recreation Office at 626.574.5113.
